PROFESSIONAL EXPERIENCE

Social Media Executive

Jul 2026 – Present

Devine Globe Technologies | Ahmedabad, Gujarat

- Write and publish AI, startup-funding and emerging-technology articles for Tech Lens Media, the company's AI news and intelligence platform, with 15+ bylined articles published
- Produce a weekly AI funding roundup of the top startup funding rounds, published as an article and a branded social post
- Prepare a full SEO package for each article, including meta titles, meta descriptions, keyword sets, tags, image alt text and FAQs, to improve visibility on Google and AI search
- Script and produce YouTube Shorts and long-form videos for Tech Lens Media on AI and technology topics

Freelance Digital Marketing & Creative Specialist

2025 – Present

Self-Employed | Gujarat, India

- Manage social media for 5+ small businesses and startups across retail, beauty, sports and manufacturing, covering content calendars, reels, carousels, stories and monthly performance reports
- Run Meta Ads campaigns for reach, engagement and lead generation, testing creatives and audiences to cut cost-per-result
- Design social media posts, ad creatives, price lists and print-ready marketing material in Canva and CorelDRAW
- Create and refine logos and brand identities, including colour palettes and typography, for new and growing businesses
- Build and redesign websites for small businesses
- Produce AI-generated videos and logo animations for reels and brand intros, writing AI video prompts and editing in CapCut

Social Media Executive

Mar 2026 – May 2026

AutoIQ Vehicle Info Pvt. Ltd. | Surat, Gujarat

- Managed daily content planning, scheduling and posting across Instagram, Facebook, LinkedIn, X (Twitter) and YouTube
- Worked with the design team to produce reels, carousels and promotional creatives aligned with campaign goals
- Tracked performance in Meta Business Suite and YouTube Studio and used the insights to refine content strategy
